

## Important Information about Summer Session 2018 Financial Aid

In order to receive summer 2018 financial aid, you must complete the 2017-2018 Free Application for Federal Student Aid (FAFSA).

### YOU SHOULD COMPLETE THE FOLLOWING APPLICATION IF:

- You are planning to attend at least half-time during the Summer Session 2018 (6 undergraduate credit hours or 3 graduate credit hours) AND wish to be considered for any of the following: \* see **note** on other side.
  - A Pell Grant (undergraduate students)
  - A need-based, undergraduate Illinois State University tuition waiver **OR**
  - A Federal Direct Loan (you must have remaining eligibility for summer based on the table below) **OR**
  - An alternative loan for summer

The chart at right illustrates the maximum amount you may borrow under the Federal Direct Loan Program during the *award year*, which includes summer.

If you have borrowed the maximum Federal Direct Loan amount for the 2017-2018 academic year, you will have **NO** Direct Loan eligibility for the Summer Session *unless* you have advanced a class level that increases your Direct Loan eligibility.

**NOTE:** Parents of a *dependent student* may request a loan under the Federal Direct **PLUS** Loan program. The parent borrower must go to the [StudentLoans.gov](http://StudentLoans.gov) Web site and follow the directions for applying for a PLUS loan. Students must also complete this application and submit it to the Financial Aid Office.

### CREDITING OF SUMMER AID FUNDS –

Summer financial aid funds will not be disbursed until you begin attending your last class.
